

## Journal of Integrative Plant Biology Newsletter

### 2022 Highlights

Thanks to our editorial board, readers and authors, we had a great year in 2022.

- ✧ 2021 Impact Factor: **9.106**, compared to 7.061 in 2020.
- ✧ 2021 CiteScore in Scopus: **11.8**, compared to 9.1 in 2020
- ✧ **70<sup>th</sup> Anniversary of the Founding of JIPB**

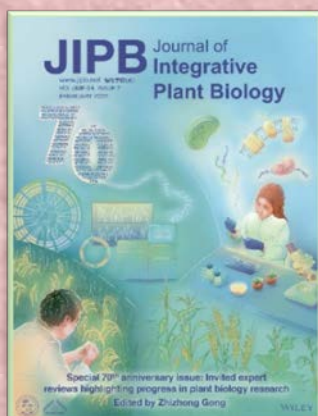

Watch our promotional video:

<https://www.jipb.net/EN/news/news559.shtml>

- ✧ **Award: The Highest International Impact Academic Journal of China**
- ✧ **Sponsored the First National Conference on Frontiers in Plant Biology (Nanjing, China, July 18–21, 2022)**

### 2022 Special Issues

- ✧ **Special 70<sup>th</sup> Anniversary Issue: Invited Expert Reviews Highlighting Progress in Plant biology Research**  
(<https://onlinelibrary.wiley.com/toc/17447909/2022/64/2>)
- ✧ **Celebrating the Discovery of DNA Demethylase**  
(<https://onlinelibrary.wiley.com/toc/17447909/2022/64/12>)

## 2023 Special Issues

We are planning to publish two special issues in 2023: **Invited Expert Reviews for Plant Research Progress** (February 2023), and on **Plant Photobiology** (November 2023, organized by Hongtao Liu and Jigang Li). Submissions are still open for the Plant Photobiology issue, so please submit your high-quality original work and encourage your colleagues to submit their best work to JIPB. More information is available at: <https://www.jipb.net/EN/news/news572.shtml>

## 2022 New Editors

Please join us in welcoming our new editorial board members.

**Dr. Amit Rai**  
Chiba University, Japan

**Dr. Deyu Xie**  
North Carolina State  
University, USA

**Dr. Chengcai Chu**  
South China  
Agricultural University,  
China

**Dr. Fanjiang Kong**  
Guangzhou  
University  
China

**Dr. Xiufang Xin**  
Center for Excellence in  
Molecular Plant Sciences,  
CAS, China

**Dr. Yi Wang**  
China Agricultural  
University, China

**Dr. Yingyin Yao**  
China Agricultural  
University, China

**Dr. Longfu Zhu**  
Huazhong Agriculture  
University, China

**Dr. Liang Guo**  
Huazhong Agricultural  
University, China

**Dr. Keke Yi**  
Institute of Agricultural  
Resources and Regional  
Planning, CAAS, China

**Yang Zhang**  
Sichuan University  
China

**Dr. Guodong Wang**  
Institute of Genetics and  
Developmental Biology,  
CAS, China

**Dr. Jigang Li**  
China Agricultural  
University, China

**Dr. Xiaojie Wang**  
Northwest A&F University  
China

**Dr. Qing-Yin Zeng**  
State Key Laboratory of  
Tree Genetics and  
Breeding, CAF, China

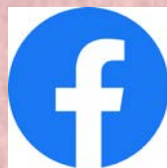

## Keep in touch with JIPB

We post new papers from JIPB across social media, so you can find our exciting new content on whichever platform you prefer. Please follow us on social media and submit your high-quality research on plant biology to JIPB today (<https://mc03.manuscriptcentral.com/jipb>)
